FIRST CAUSE FOR DISCIPLINE

(Conviction of an Offense Substantially related to the Qualifications, Functions, or Duties of a Physician and Surgeon)

11. Respondent is further subject to disciplinary action under sections 2227 and 2234, as defined by section 2236, of the Code, in that he has been convicted of an offense substantially related to the qualifications, functions, or duties of a physician and surgeon, as more particularly alleged herein.

12. During the period of on or about October 2, 2014, through on or about December 12, 2014, the Drug Enforcement Administration (DEA) made five undercover buys of controlled substances from respondent using DEA confidential sources and a DEA undercover operative who posed as patients. At the conclusion of each undercover operation, respondent, without adequate examination and/or medical indication, issued prescriptions for controlled substances which included, but were not limited to, Norco (hydrocodone/acetaminophen), Xanax (alprazolam), Soma (carisoprodol), Adderall (dextroamphetamine sulfate) and tramadol (Ultram). The confidential sources and undercover operative were charged \$200 for each visit (with the exception of the first visit of October 2, 2014, which was \$300) associated with the issuance on the unlawful prescriptions.

13. On or about January 1, 2015, the DEA received an expert report from Dr. T.M., who was retained to offer his expert opinions regarding respondent's prescribing of controlled substances for the DEA undercover buys that took place during the period of on or about October 2, 2014, through on or about December 12, 2014. After his expert review, Dr. T.M. found multiple violations of the standard of care pertaining to the proper prescribing on controlled substances. Specifically, Dr. T.M. opined that the prescriptions issued by respondent during the course of the undercover buys did not comply with the applicable guidelines for the appropriate prescribing of controlled substances and, instead, were "extreme departures from the standard of care and without a legitimate medical purpose." Among other things, Dr. T.M. opined that proper histories were not taken for each undercover patient, proper physical examinations were not performed, there were no treatment plans with stated objectives, no informed consent, no proper

1 medical documentation, no alternative therapies were considered, there was risk screening in
2 regard to the possible abuse or diversion of the controlled substances being prescribed and, in
3 sum and substance, there was a complete disregard of the laws and regulations pertaining to the
4 proper prescribing of controlled substances. In conclusion, Dr. T.M. opined that "the care
5 provided by Dr. Kim [was] dangerous and reckless" and "that the controlled substance
6 prescriptions prescribed were outside the usual course of professional practice."

7 14. On or about June 25, 2015, a twenty-one count Felony Complaint was filed against
8 respondent in the Los Angeles Superior Court, in the action entitled *The People of the State of*
9 *California v. Richard Seongjun Kim*, Case No. BA 437315. The Felony Complaint charged
10 respondent with twenty-one counts of issuing an Unlawful Controlled Substance Prescription in
11 violation of Health and Safety Code section 11153, subdivision (a), a felony. The Felony
12 Complaint generally alleged that respondent unlawfully issued prescriptions for various
13 controlled substances, i.e., hydrocodone, tramadol, carisoprodol, alprazolam and/or amphetamine
14 salts, during the DEA undercover buys of October 2, October 16, October 31, November 18, and
15 December 12, 2014.

16 15. On or about September 20, 2016, respondent was found guilty by a jury on seventeen
17 felony counts² of issuing an Unlawful Controlled Substance Prescription in violation of Health
18 and Safety Code section 11153, subdivision (a), based on the unlawful prescriptions for
19 controlled substances that were issued during the DEA undercover buys of October 2, October
20 16, October 31, November 18, and December 12, 2014.

21 16. On or about September 30, 2016, respondent was sentenced to imprisonment in the
22 County Jail for 60 months with respondent to serve 36 months in the County Jail, less credit for
23 time already served, with the remaining 24 months suspended with respondent to be placed on
24 mandatory supervision under various terms and conditions.

25 ////

26 ////

27 ² On August 30, 2016, felony counts 2, 3, 8 and 13 were dismissed in the furtherance of
28 justice pursuant to Penal Code section 1385.
